THE HON. SRI M. BHAKTAVATSALAM : Sir, there is no difficulty in preparing a plan. A master plan has been prepared and submitted to Government. There is no finance for carrying out the plan in its entirety all at once and it is taken up by and by.

SRI V. K. RAMASWAMI MUDALIYAR : May I know, Sir, whether there is any proposal to ban this slow moving vehicles like rickshaws, etc., which are considered inhuman?

THE HON. SRI M. BHAKTAVATSALAM : Yes, Sir, there is a proposal. A beginning has already been made. There is ban on slow moving vehicles from Gemini to Round Tana.

SRI M. KALYANASUNDARAM : ஸார், ஒரு பெரிய திட்டம் போடுவதுபற்றி ஆலோசனைகள் அரசாங்கத்திற்கு இருப்பதாகக் கூறினார்கள். அதன் விவரம் என்ன, அதை நிறைவேற்றச் செலவு என்ன ஆகும் ?

THE HON. SRI M. BHAKTAVATSALAM : விவரங்கள் என்னிடத்தில் இல்லை. தனிக் கேள்வி போட்டால், பதிலளிக்கிறேன்.

SRI K. VINAYAKAM : Sir, was not a master plan as prepared by the Commissioner of Police submitted to the Traffic Development Committee and approved finally and accepted by the Government? If so, why have not the Government implemented that master plan as far as these slow moving vehicles in heavy congested areas are concerned?

THE HON. SRI M. BHAKTAVATSALAM : The hon. Member should know that the submission of the plan does not necessarily mean the implementation at once. I have already stated that the master plan has been accepted by the Government. But the implementation in its entirety could not be taken up immediately for want of finance. It will be taken up in stages and a beginning has already been made towards this objective of implementing the master plan.
